EDUCATION

GITAM (DEEMED TO BE UNIVERSITY), Visakhapatnam, Andhra Pradesh

08/2022 – 2026

- Bachelor Of Technology (B. Tech) | Computer Science
- CGPA: 8.03/10.00

WORK EXPERIENCE

Web Developer Trainee (DRDL-DRDO), Hyderabad

05/2024 – 06/ 2024

- Designed a role-based access control web application which led to seamless updates and real-time visibility for all divisions.
- Implemented access control mechanisms, allowing scientists to view only their division's inventory while restricting access to others, leading to enhanced data security and streamlined inventory tracking.

Student Associate – Caarya, Visakhapatnam

11/2024 – 01/2025

- Spearheaded a team of **5 members** to research about startups while connecting with entrepreneurs, student clubs, and startup communities, fostering Caarya's student community and ecosystem growth.
- Assisted in **startup outreach efforts**, engaging with founders and key stakeholders to explore potential collaborations.

PROJECTS

REFUEL – Founder | [Website](#)

- Founded and developing an **on-demand fuel delivery service** designed to revolutionize the way people refuel their vehicles focusing on **convenience, safety, and efficiency** for individual and fleet customers.
- Aiming to serve **1 million** users by 2027, focusing on urban commuters, fleet operators, and rural areas.

Personalized Portfolio | [Project Link](#)

- Designed and engineered personalized portfolio website using modern web technologies.

AI-Driven Internship & Placement Recommendation System

- Addressed the disconnect between student skills, internship and placement requirements and developed an AI-powered platform using Python and React.js to automate internship/placement recommendations by analyzing resumes, skills, and job descriptions via **NLP** and **content-based filtering**, enhancing role relevancy for students.
- **Full-stack platform** with ATS resume analysis, internship search, and real-time collaboration

SKILLS

- **Programming Languages:** C, Python, HTML, CSS
- **Data Base Management:** SQL
- **Additional Skills:** Leadership, Problem Solving, Technical Documentation, Business Development, Data Structures.

CERTIFICATES

- TATA Group – Data Visualization: Empowering Business with Effective Insights ([Credential](#))
- Entrepreneurship ([Coursera](#))
- Developing a winning marketing strategy ([Coursera](#))
- Basics of Business Communication – Infosys ([Credential](#))

OTHERS

- **Founder** at Refuel.co | **Finalist** at Levyug's LevUP Ideathon over **327** applicants.
- **President**, Throwball SIG GITAM where I revived a dormant SIG and growing core team to **45 members**.
- **Vice President, Speaker Curation – AIESEC Youth Speak Forum**, where I organized a global summit with **5** speakers delivering topics on Technology and Sustainable Development Goals.
